

How to Add the Endow Manitoba Donation Button to Your Foundation's Website

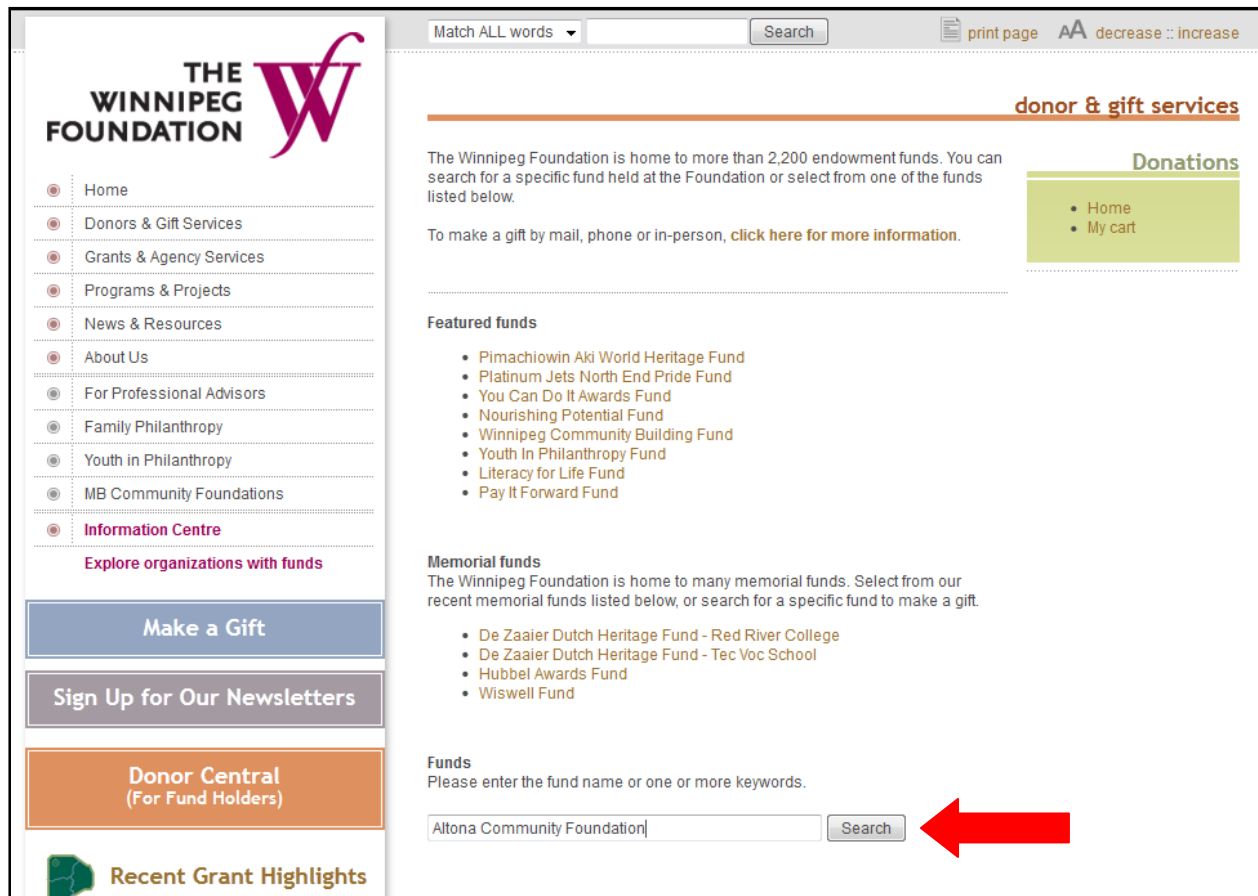

Please Note:

If you are not the person who makes changes to your foundation's website, pass these instructions on to the person responsible for updating your website.

1. Download the Donation Button Image from the Endow Manitoba website in the [Tool Kit](#).

2. Get the URL for your foundation's fund.
 - i. Go to [The Winnipeg Foundation's online donations system](#).
 - ii. Enter your foundation's name in the Search field to find your fund. (eg. Altona Community Foundation)

The screenshot shows the Winnipeg Foundation website interface. On the left is a navigation menu with links like Home, Donors & Gift Services, and Information Centre. The main content area has a search bar at the top with the text 'Match ALL words' and a 'Search' button. Below the search bar, there's a section for 'donor & gift services' and 'Donations' with links for Home and My cart. There are sections for 'Featured funds' and 'Memorial funds' with lists of fund names. At the bottom, there's a search field with the text 'Altona Community Foundation' and a 'Search' button. A red arrow points to the 'Search' button.

If you have any questions, contact Nancy Mak, Website Coordinator at nmak@wpgfdn.org.

iii. Click on your foundation's fund.
