

MANITOBA HERITAGE TRUST PROGRAM

THANK YOU!

Working together with Manitoba community foundations, your generous gift to support your local museum or archives will make a difference today and tomorrow. Your gift has been stretched with support from The Province of Manitoba.

Manitoba Heritage Trust Program

The Manitoba Heritage Trust Program aims to attract public and private funding and provide long-term, sustainable revenue for community projects and organizations, with a special emphasis on heritage organizations. Through the program, qualified museums, archives, and supporting organizations are encouraged to create an endowment fund at their local Manitoba community foundation and stretch dollars will help grow gifts to these heritage funds.

Manitoba is home to 55 community foundations, each of which provides grants to community projects and community organizations operating

within a specific area of the province. The Winnipeg Foundation, Canada's first community foundation, is helping strengthen philanthropy across the province by providing supports and services to engage and build capacity amongst Manitoba's community foundations.

The Manitoba Heritage Trust Program, administered by The Winnipeg Foundation, runs until March 31, 2021 and offers qualifying museums and archives the opportunity to build an endowment fund to support their organization. Detailed criteria and the application process are available online at endowmanitoba.ca/Manitoba-heritage-trust-program/.
